PHILANTHROPY IS A MINISTRY

And like all ministries, it enriches both the giver and the receiver. This belief motivated our co-founders to create NCCF, and it is for this reason that NCCF offers individuals an array of services to help them become more effectively engaged in philanthropy. NCCF...

- Administers planned gifts on behalf of donors and charitable organizations.
- Provides donors with a philanthropic vehicle to honor the human dignity proclaimed in the Gospel and affirmed by the Roman Catholic Church.
- Honors donors’ desire to support charitable, religious, cultural, and educational activities.

DONOR ADVISED FUNDS (DAF)

NCCF offers funds to meet your philanthropic needs.

- Flexibility to distribute funds nationally and internationally
- Resources of experienced individuals in philanthropy, the Catholic Church, and finance
- Economy of scale in investments
- An opportunity to serve the community
- Multi-generational philanthropy
- No start-up costs and anyone may add to a fund.

A CHARITABLE GIFT ANNUITY (CGA)

A Charitable Gift Annuity (CGA) transfers cash or property to a charity in exchange for a partial tax deduction and a lifetime stream of annual income for the donor, as a contract between a donor and a charity.

CHARITIES BENEFIT FROM NCCF

Friends, donors and supporters of the charity benefit from DAFs and CGAs. Now is the time for the charity to make these development tools available to donors and secure the future of the charity.
